To whom it may concern

I engaged Internet Removals to have comments removed my personal video from website that were defamatory and untrue and upload by someone that I had not even met.

It is an extremely stressful time for me. Internet Removals provided reassurance from the beginning that the issue could be resolved.

From my very first contact with Internet Removals to the final contact it has been efficient, friendly, and helpful- both via phone message and emails.

My issue is resolve within one week. The fee is vey reasonable. I would highly recommend this service to others. I am happy for the excellent service from Internet Removals.

Thank you.
